Dear Prof Dr Norma G. Sanchez,

thank you very much for your kind invitation to attend
the Autumn Scientific Culture Open Session 2015 of the Chalonge
School.

My father was very happy to participate in this School in 1991 and
1992, and he quite appreciated the intellectual atmosphere at the
School as well as being awarded the extremely prestigious Chalonge
Medal.

Many thanks for the tribute paid to Bruno Pontecorvo along the years!

Thank you very much again for the invitation, but for certain reasons I
will regretfully just not be able to participate in the 2015 open
session of your Chalonge School.

Wishing you a successful Open Session 2015 of the
Chalonge School!

Best regards!

Gil Pontecorvo
